

To whom It may concern,

Please fill out this application completely. We will be needing a copy of a current MVR, Class-A CDL license, Social Security Card, and Medical card attached to the application. We will then process your application and send it to our insurance for approval. Once we get approval by upper-management and the Insurance, we can continue to the pre-employment drug test and certified road test to continue employment. Please provide a name and contact number, E-mail, and current address for our records.

Thank you.

Sincerely,

Jesse Serna
